### Extended Care

Extended care is available for children 3 months to 10 years. Extended Care can be paid on a monthly basis which entitles your child to come between the hours of 7:30-9:00 and 2:00-6:00. Only children enrolled for monthly Extended Care are eligible to attend school during holiday periods, if available, when the school is otherwise closed. The cost of extended care on an as-needed basis is \$15 an hour. You will need to contact the office to see if there is room available.

You can design a program to fit your needs by combining the rates above.
